

ROADWAY SAFETY PROJECTS

OPEN HOUSE

The public is invited to attend an open house to view concepts with changes in geometry for the intersections of 35th and Vine Street and South 56th and Elkcrest Drive.

These two intersections are experiencing crashes due to the lack of dedicated left-turn lanes.

Based upon public input, the City may pursue implementation of a concept at each intersection, if funding is available.

VINE STREET

(between 35th and 44th streets)

Wednesday, February 22

from 5 to 6:30 p.m.

Hartley Elementary School
730 N. 33rd St.
